Apprenticeships

Apprenticeship as an Event Specialist (EFZ)

Your Role

During your apprenticeship, you will acquire foundational knowledge in lighting, sound, video, and rigging. You will assist with the setup and dismantling of events of all kinds and independently execute smaller events or projects under supervision. Your varied range of duties will also include helping with the maintenance and functional testing of equipment at our facility, as well as preparing, setting up, and checking equipment and systems on-site.

Your Profile

You are reliable, responsible, and focused, with a strong interest in technology. You possess good stamina and high levels of motivation, and you are physically resilient. Irregular working hours (including weekends and nights) are not an issue for you.

What We Offer

Immerse yourself in the world of event technology with Switzerland's industry leader. We offer you the opportunity to gain a foothold in a dynamic and unique industry and guarantee you comprehensive training.
