

We are currently looking for a new team member with strong professional expertise and potential for development.

Department Head

Lighting Design Specialist

Your Responsibilities

In this key role, you will lead the lighting department for your assigned projects. You will plan materials, personnel, additional services, and logistics requirements, while also supporting project management in preparing lighting-related proposals. Your varied scope of duties also includes supervising the lighting department on-site and conducting team debriefings.

Your Profile

Ideally, you hold a qualification as an event specialist or event technology technician and are a proven expert in lighting with several years of professional experience in the field. You approach tasks in a structured manner and maintain a cool head in a fast-paced environment. German is your native language; proficiency in English and/or French is an advantage. Experience with Vectorworks and EasyJob would give you a distinct advantage.

What We Offer

Immerse yourself in the world of event technology with a Swiss industry leader. We offer you the chance to establish a career in a dynamic, exciting industry and provide opportunities for targeted professional development based on your aptitude. In addition to an attractive workplace in Wohlen, we offer the option of working from home part of the time.

Contact Us

Can you picture yourself working in a lively, family-oriented environment? If so, we look forward to receiving your complete application documents via email at: Winkler Livecom AG, Patricia Trachsler, HR Specialist, Nordstrasse 1, P.O. Box, CH-5610 Wohlen, Email: bewerbungen@winkler.ch.
