

To complement our existing team, we are looking for an independent and collaborative Rigging Division Manager / Specialist Planner.

Department Head

Specialist Planner – Rigging

Your Responsibilities

You will lead the rigging department at your assigned project site, taking charge of team leadership and motivation. Additionally, you will plan materials, personnel, supplementary services, and logistics requirements for rigging operations, while supporting project managers in the preparation of tender documents and preliminary concepts.

Your Profile

You are a proven rigging professional with several years of industry experience and, ideally, a completed technical apprenticeship. You work reliably and efficiently, possess strong organizational skills, and are an enthusiastic, communicative individual. German is your native language; proficiency in other languages (English, French) is an asset.

What We Offer

Immerse yourself in the world of event technology with the Swiss industry leader. We offer you the opportunity to establish a career in a dynamic, exciting sector and—depending on your aptitude—to pursue targeted professional development.
